FIRST HOSPITAL REPORT

PRES. SINGMASTER MAKES FIRST REPORT TO THE BOARD.

Showing that the Hospital is Ready to Open When the Emergency Fund is in Hand.

The Annie M. Warner Hospital of Adams county, of which I have the honor to be President was made possible through the generosity of Mr. John M. Warner, who donated the ground and the building. After much thought and planning ground was broken for the foundation on March 24, 1919. The history of the movement will be furnished by Secretary.

Organization.
On March 25, 1919, twenty-four men, who had associated themselves for the purpose of completing and maintaining the Hospital, applied for a Charter, which was duly approved by Judge McPherson on May 5th.

The Board was formally organized on May 6, 1919, at which time By-Laws were adopted, and the following officers elected: President, J. A. Singmaster; Vice President, W. F. Boyle; Treasurer, The Citizens' Trust Co.; Sec., Wm. Arch. McClean.

An Executive Committee consisting of the officers, Singmaster, Boyle and McClean, and E. M. Bender and Chas. H. Smith was appointed to transact the business of the Hospital between meetings.

Acquisition of the Property.

The formal transfer of the real estate by Mr. and Mrs. Warner was made on Feb. 10, 1920, and a final settlement with Mr. Warner authorized, including the purchase from Mr. Warner of adjoining land.

By the terms of the settlement the Board of Directors came into possession of seven acres of land upon which the Hospital stands, free of all incumbrance, and also thirteen acres of contiguous land upon which Mr. Warner holds a mortgage of \$5000.

The value of Mr. Warner's gift amounts to \$20,000. The Board expressed its gratitude to the donor and directed the President to convey to Mr. Warner a letter of appreciation for his munificent gift.

The Building.

After the legal acquisition of the property the Board vigorously prosecuted the work of completing, furnishing and equipping the Hospital. On account of high prices and scarcity of material and labor together with the inherent difficulties of a new enterprise, the task laid upon the Board and its committees was by no means light. Much thought and much money have been expended to make the Hospital attractive and more especially suitable for its purpose. Extravagance has been avoided, but money was not spared to secure what is essential to a first class Hospital.

The Board takes just pride to offer now a complete well-arranged and well-equipped Hospital for public use.

Situated on a commanding site, open to sunshine the day long, catching every life giving breeze, away from noise and dust, with Culp's Hill and the Round Tops in sight on the east and the south, and with the Blue Ridge on the western horizon, the Hospital occupies a point of vantage. When the grounds are planted, and the drive-ways and walks completed, and a suitable portico erected, Adams county will rejoice in an institution of which it will not need to be ashamed.

Upon closer inspection the interested visitor will find a substantial, well-appointed building with wide halls, with beautiful marbled floors, handsome highly polished doors, an efficient heating system, plumbing and fixtures in great variety, well distributed lights, a dumb-waiter, an elevator, a finely furnished dining-room, a kitchen containing a large refrigerator, stoves, tables and cooking utensils of the best type, two diet kitchens adjoining the main wards, pantries and closets filled with food, with linen and with a hundred things that are necessary.

He will find on the two main floors the wards, an office, a dozen private rooms, the nurses' suite, the operating suite, and the bath rooms. The operating suite of four rooms, two of which have tiled floors, is furnished with the best of lights, tables, sterilizers, instruments, wash stands and cases. The wards and all the bed-rooms are attractively furnished; the beds are made up ready for occupancy. The X-ray apparatus and the laboratory are located in the basement. The former alone cost \$5000, and the latter with its equipment and supplies about \$1000.

Woman's Auxiliary.

The President met with a number of ladies on June 11, 1920, and assisted in the formation of a Woman's Auxiliary which has already rendered most valuable service, as its report shows.

Farmers' Day.

In accordance with the instructions of the Board the Hospital was thrown open to the public on Farmers' Day, Oct. 21, 1920, when several thousand people inspected the building, bringing a great quantity of supplies and leaving a cash contribution of a hundred dollars. Ladies of the Auxiliary acted as hostess on the occasion. The event was not only immediately profitable, but gave wide and favorable publicity.

ROOMS.

Rooms have been taken as memorials or otherwise as follows:

The Grounds.

By the courtesy of the Department of Internal Affairs at Harrisburg, Mr. Lohman has plotted the grounds of the Hospital so as to form an attractive park with suitable drives, walks, lawn, trees and shrubbery. Of these the main drive has been partly built by the Woman's Auxiliary. The scheme should be carried out as nearly as possible. Preliminary work may be done now, and orders for the shrubbery should be placed very soon. Here is an excellent opportunity for a generous person to make the approach to the Hospital beautiful. The surroundings of such an institution have much to do with the spirits of the patients.

Balance Sheet Feb. 1, 1921.

ASSETS.

| | |
|-------------------------------|-------------|
| 1. Cost of Hospital | |
| Mr. Warner's gift | \$20,000.00 |
| Completing and furnishing | 30,234.00 |
| Donations, labor and material | 6,000.00 |
| Adjoining lots | 5,000.00 |

| Loans | \$11,800.00 |
| Mortgage on lots | 5,000.00 |
| Bills unpaid | 4,000.00 |
| | 20,800.00 |
| Net Cr. balance | \$57,434.00 |

The Endowment Fund.

The Board has frequently informed the people that the Hospital would need an endowment of at least \$100,000 to put it on a sound financial basis. Until the interest of such a fund is available a sum equal to the amount of interest must be provided.

In December 1920, an effort was made under the auspices of the Banks of Adams county to raise the \$100,000 endowment fund. Up to date about \$40,000 has been subscribed, payable within three years. Considering the financial ability of our people this showing is disappointing. Nevertheless, in view of the newness of the work and various other circumstances, the result is gratifying. The Board, no doubt, shares with me a sense of gratitude to the Banks and their Committee, with Mr. C. W. Gardner as chairman, for their deep interest and substantial support. We trust that the Banks will continue their active co-operation with us.

It is apparent from the above statement that very little interest will be available for the present year.

The average cost per day of maintaining each patient varies considerably in the several hospitals, depending on the quality of the care.

MURDERERS MUST HANG.

Commutation of Sentence Refused by Board of Pardons.

Clarence Collins and Charles Reinacker must answer for their murder of George Bushman by going to the electric chair during the week of Feb. 28. The matter of commutation of sentence of Clarence Collins was presented to the Board of Pardons at their meeting in January and a determination was held over until similar papers were presented for Charles Reinacker. Hon. Geo. J. Benner presented the papers for a commutation of sentence on Wednesday of this week. District Attorney Raymond F. Topper represented the Commonwealth. The Board of Pardons had an evening session on Wednesday at which the cases were given consideration and decided that no commutation could be granted and the prisoners must pay the penalty as they had been sentenced and as the Supreme Court had affirmed the conviction.

Collins and Reinacker will next be taken to the death house at the Central State Penitentiary and there during the week of Feb. 28 will answer for their crime. There is no question of their guilt. The only defense they made was a technical one. The law safeguards society by providing the punishment that will be meted out to these two young criminals.

DEATH CLAIMS MINISTER

AT ADVANCED AGE OF ALMOST FOUR SCORE AND FIVE YEARS.

New Oxford Citizen Passes Away at the Age of Ninety-three Years.

Rev. John R. Flohr, a life long resident of Liberty township, died Feb. 11 at the home of his daughter, Mrs. Robert Gonder, Wayne Heights, near Waynesboro. Rev. Mr. Flohr was 84 years, 11 months and 26 days old, and was a Dunkard minister. He leaves eight children, thirty-seven grandchildren, nineteen great grandchildren, and two brothers, Joseph Flohr, of Thurmont, Md., and Jeremiah Flohr, of Sykesville, Md.

Wm. A. Bankert, a prominent farmer of Germany township, died Tuesday of last week in the Maryland General Hospital, Baltimore. On Jan. 24 Mr. Bankert underwent an operation for gall stones, but death was due to internal complications. He was born near Union Mills, and was married to Miss Laura Ehrhart, also of Union Mills. He has been engaged in farming all his life, and 27 years ago moved from Maryland to Germany township. He was aged 62 years and 9 months, and is survived by his widow and the following children: Theodore Bankert, of Littlestown; Herbert C. William R. and Mrs. Thomas Myers, of Germany township. Also by one brother, Aaron Bankert, of Detroit, and one sister, Mrs. Tillie Stonesifer, of Harrisburg. The funeral was held last Saturday, services by Rev. Milton Whitener and interment will be made in Littlestown Cemetery.

Mrs. Margaret Wiest, widow of the late Jacob Wiest, of New Oxford, died Feb. 10, in Dillsburg, at the age of 93 years. She is survived by four daughters, Mrs. N. R. Bailey, of Dillsburg, with whom she made her home; Mrs. J. A. Foote, of New Oxford; Mrs. George Miller, of Tulsa, Okla.; Mrs. John Mowery, of Indianapolis, Ind.; and one son, Charles Wiest, of Battle Creek, Mich.; also thirty-two grandchildren and twenty-eight great grandchildren. Six grandsons, Chas. Hafer and Ralph Miller, of New Oxford, Charles and Granville Slaybaugh, of New Oxford, and Wiest Bailey, of Dillsburg, acted as pallbearers, and Rev. John W. Keener officiated at the funeral on Sunday with interment in the New Oxford Cemetery.

William M. Geisler, aged 82 years, died Tuesday at the home of his son, John Geisler, York, after a lingering illness. He leaves to survive him four daughters, Mrs. John Mundis, Mrs. Charles Lohr, Mrs. Arthur J. Strine, of York; Mrs. Jacob Wolford, of Adams county, and five sons, Aaron Geisler, of New Oxford, Isaiah and George Geisler, of Abbottstown; William Geisler, of York county, and John Geisler, of York. Funeral on Thursday, services by Rev. J. Kern McKee, and interment in Greenmount Cemetery, York.

Daniel Colestock, a Civil War telegrapher and for nearly 40 years a resident and prominent business man of Titusville, died suddenly at his residence there on Jan. 18, following a brief illness with an acute attack of dilation of the heart. He was born on Sept. 29, 1843. His wife survives him. He was the youngest of a family of eleven children, only one of whom, Rev. Zephaniah A. Colestock, of Quincy, the eldest of the family, survives at the age of 97 years. He was an uncle of the late Sheriff Geo. L. Colestock, of New Oxford.

Mrs. Lloyd Van Dorn, of Plainfield, N. J., formerly Miss Lucille Warner, of Gettysburg, died last Saturday at her home as the indirect result of a stroke of apoplexy suffered about a year ago. Mrs. Van Dorn, aged about 33 years, was a daughter of Ferdinand Warner who for many years was a member of the dry goods firm here of Skelly & Warner. She spent the early part of her life here and attended Gettysburg Academy. Mr. Van Dorn after graduating from college here in 1909, married Miss Warner and the couple then moved from Gettysburg. She is survived by her husband, one son, Cecil; her parents; and a sister, Mrs. Edward McCammon, Baltimore street. Funeral services were held at Plainfield Tuesday afternoon and interment in the Evergreen Cemetery, Gettysburg.

Benjamin F. Kepner, 82 years old, a veteran of the Civil War, died in Highland township Monday night. He had been confined to bed for three weeks at the home of his grandson, C. K. Aughinbaugh. Mr. Kepner lived in the vicinity of Gettysburg practically his entire life following the occupation of farmer. During the Civil War he served four months as a private in Co. K, of the 87th Pennsylvania. He was the father of Mrs. John Aughinbaugh, Stratton street, who died here in November, leaving eleven children. His wife died five years and one day ago. Two sons survive, Elmer J. Kepner, of Rome, N. Y.; Homer V. Kepner, of Highland township; a brother, Hiram Kepner, of near Abbottstown; nineteen grandchildren and four great grandchildren. Funeral was on Wednesday with services at the grave in Evergreen Cemetery.

HOSPITAL TO OPEN MAR. 15

EMERGENCY FUND CREATED FOR CURRENT EXPENSES.

Wonderful Response of Our People Over the Fixing of an Opening Date.

The people of Adams county who have contributed in the two drives for the Annie M. Warner Hospital want to see the hospital open more than anything else. They gave liberally in the first drive for equipment and they responded to the second drive for an endowment. The hospital has been pronounced one of the best equipped buildings in the State. The endowment can not be spent but as received will be invested in interest bearing securities and will be in no danger of a guaranty against annual deficits in the running expenses of the hospital.

The question presented at the meeting of the Board of Directors of the Hospital on last Friday evening was how provision was to be made for the payment of the current expenses. From reports received from a number of hospitals, the information was forthcoming that the patients provide from fifty to sixty per cent of the operating expenses, and it was deemed safe to estimate this item at forty per cent for an opening year. Then under an Act of Assembly the County Commissioners are authorized to make an annual appropriation toward current expenses and the Board of County Commissioners at a recent meeting decided that when the hospital was open and in operating condition, an appropriation of \$2,000 would be made. The next item would be a State appropriation but until the Legislature has passed the usual biennial hospital appropriation bill, it was impossible to tell what could be depended upon from this source. Other sources of revenue would come from the X-Ray Department and the Laboratory.

This emergency called for a remedy of its own, and the Board of Directors appreciating their responsibility to the people who had responded to the drives and who wanted the hospital opened, decided that a date should be fixed for opening and an emergency fund be created for money for operating expenses and such a fund was started at once among those present and before the meeting was over this emergency fund had a nest egg for a beginning of \$420. The aim is to make this emergency fund \$5000, and it is not proposed to canvass for the \$10 subscriptions, which it was proposed should be asked. If the outpouring of subscriptions continues in the wonderful way it has started, canvassing may be made unnecessary, but again it may become necessary to give the fund a boost with canvassing, and Directors of the Hospital and physicians of the county are asked to gather the subscriptions in the respective towns and communities of the county in the way that will best bring the results. Subscriptions received and reported to date to the Secretary of the Board, Wm. Arch. McClean, are as follows:

\$25 subscriptions, Dr. J. A. Singmaster, Mrs. J. A. Singmaster, Chas. H. Smith, Mrs. C. H. Smith, Hon. D. P. McPherson, Mrs. D. P. McPherson, D. E. Brandt, Mrs. D. E. Brandt, Dr. Wm. E. Wolf.

\$20 subscriptions, Mrs. Mary W. Tyson, M. C. Jones.

\$15 subscription, Mr. and Mrs. Z. J. Peters.

\$10 subscription, John M. Warner, Mrs. Annie M. Warner, H. T. Weaver, Mrs. H. T. Weaver, Wm. G. Weaver, C. E. Livingston, Mrs. C. E. Livingston, each of three Livingston children, W. A. McClean, Mrs. W. A. McClean, Frances McClean, Dr. C. A. Rice, F. V. Topper, John D. Keith, Mrs. Mary S. Keith, Mrs. Helen A. Keith, Burgoine Keith, Nancy McC Keith, Dr. J. P. Dalbey, Mrs. J. P. PLAYGROUND GIVEN TO TOWN

The School Directors Have Accepted the Gift.

William B. Kurtz, of Philadelphia, met the School Directors of Gettysburg on Wednesday evening at a special session to consider the future of the Kurtz Memorial Playground.

Mr. Kurtz desired above everything else that the playground should be preserved for the children of the town and expressed himself as willing to take any steps that would contribute to that end.

The position of Mr. Kurtz has not been understood by some of our people on the race question, and in a statement he made his position generously plain. In his opinion it would be best to have separate playgrounds and he said he desired to present the School Board with \$500 to be entirely devoted to the purchase of equipment for the Colored School Playground. He stated that it was his desire to make a deed of the Kurtz Playground to the School Directors in such a way as it would best serve as a playground for the children of the town. He was asked whether the consideration could be made the amount of last year's deficit, \$1600, in running the playground and in that way the same could be liquidated and Mr. Kurtz assented to any proposition the directors would decide to make.

At a short session following the conference with Mr. Kurtz, the directors discussed the situation. The school code gives the directors the right to take by gift or purchase a playground and provides that whenever in the future a high school building is erected a playground must be provided. None of the schools are provided with adequate playground facilities and the directors felt they would fail in their duties in such an emergency if they did not accept the gift.

It is a playground any school district can feel proud to acquire and provide, one that has cost in land, the lodge and grading about twenty thousand dollars. If any part of it should ever want to be used for erection of a high school building, no limitation will be placed on the land to prevent such consumption. After considering it from every angle the Board voted unanimously to accept Mr. Kurtz's proposition.

In view of the outlay asked of the School Board, they propose to ask the Playground Association to make an effort to provide some funds either for the liquidation of deficit or for the operation of the playground this year. The directors feel that the finances of the district are not in such shape as to take care of the entire burden and that a method should be devised for contributing help from the people of the town who have been specially enjoying the playground, so that the latter could be opened and directed during the summer for the benefit of the children. Such methods will be threshed out at early meetings of the Board and the Association.

HELP FOR AFFLICTED CHILDREN

Famous Surgeon Operates on Three from Gettysburg.

The Red Cross of Harrisburg having invited the Adams County Red Cross to make use of their clinic in any way desired in their work for the children, Miss Margaret McMillan, secretary of the local Red Cross, arranged for an examination of a number of children suffering from the results of meningitis. Dr. Rugh, the eminent Philadelphia surgeon, is conducting the clinic at Harrisburg and has had wonderful success in operating on children who have been crippled from that scourge. Dr. Rugh went to France during the World War and did a wonderful work there in the making over of men who had been wounded.

On Tuesday Miss McMillan, assisted by Miss Mary Grove, the district nurse, who had been a nurse under Dr. Rugh at one time, took four little children to Harrisburg: Donald Bream, Martha McMillan, Margaret Hankey and Arthur Gordon. These four had been among those the State Department of Health had recommended as those who should have special treatment, and Emil Gevert, the brace expert, had joined in the recommendation. Three of the children on Wednesday were operated on, and Dr. Rugh is most optimistic that the children will be greatly benefited. While the operation was going on, many physicians and nurses were present and intensely interested in the wonderful work being done. Reports from the hospital on Thursday were that the children were in fine condition. The Gordon lad was not operated upon, Dr. Rugh advising that he await warmer weather.

Associate Staff: Drs. J. L. Sheets, New Oxford; W. F. Hollinger, Abbottstown; Walter H. O'Neal and John C. Felty, Gettysburg; Charles F. Myers, York Springs; R. V. Elderdie, McKnightstown, and J. G. Stover, Bendersville.

FIRST HOSPITAL REPORT.
(Continued from page 1.)

ing upon the number of patients, the location of the hospital whether in a city, town or country, the amount of provisions donated and various other factors. From the several reports we learn that the actual cost runs from \$2.50 to \$5.50 per day for each patient. We estimate that in our Hospital the cost will be about \$3.00 per day, provided we have an average of about thirteen patients. This would mean a daily expenditure of forty dollars and an annual expenditure of \$15,000. We think this is a fair basis to use in calculating our running expenses.

Sources of Income.

1. Fees from patients. When the Hospital is running normally the fees from patients should yield at least forty per cent of the normal expenses.

2. Fees for special services. These are derived from charges made for outside parties for analyses made in the laboratory and for X-Ray examinations and pictures. It is hoped that such fees will pay the expenses of these departments.

3. Appropriations. It is usual for the commissioners of the counties and the legislature of the State to make appropriations for the support of hospitals. The Commissioners of Adams County have already appropriated \$2,000 for the current year. The State Legislature has not yet acted upon our petition, but a bill has been introduced appropriating \$6,000 a year for the next two years. We have hopes that this will be granted.

4. Gifts of Friends. The good-will and the hearty co-operation of the people of Adams county are our chief asset. They have already responded nobly to our appeals; and we have confidence that their interest is abiding. The churches, schools, societies and corporations are the friends to whom we must constantly look for support. Private individuals, we trust, will aid us with generous gifts. The Hospital invites also gifts on which it will pay annuities during the life time of the donor.

The Hospital is ready for patients. Nothing seems to be wanting except means with which to run it. Our treasury is practically empty, and until we have the cash or its equivalent we cannot proceed any further; but we are hopeful that means will be at hand without much further delay.

In order to open the Hospital at once we should have an endowment fund of \$5,000 in cash. As stated before, until the interest on \$100,000 becomes available we must make an annual solicitation. In the present emergency we recommend that an immediate appeal for the enrollment of five hundred patrons who will at once make each a cash contribution of not less than \$10.00. This seems feasible. We advise that the present meeting arrange for such a canvass.

The Directors of the Hospital have been entrusted with a great responsibility, the discharge of which must be a labor of love. No mere personal or selfish motive can be entertained. The task laid upon us is one of holy service to our fellowmen. Let us not falter in the performance of duty, but plod on in the full assurance of the grace of Him who went about doing good.

J. A. Singmaster.

The Rotary Club of Gettysburg at their banquet on Monday evening added \$200 to the emergency fund. Rotarians had previously donated \$190 toward the fund. The contributors of \$10 are as follows: Dr. C. N. Gitt, Samuel G. Spangler, Mrs. Samuel G. Spangler, George F. Eberhart, Mrs. George Eberhart, C. William Beales, Mrs. C. BACKACHE IS A WARNING.

Gettysburg People Should Not Neglect Their Kidneys.

Backache is often nature's most frequent signal of weakened kidneys. To cure the pains and aches, to remove the lameness when it arises from weakened kidneys, you must reach the cause—the kidneys. If you have pain through the small of your back, urinary disorders, headaches, dizzy spells, or are nervous and depressed, start treating the kidneys with a tested kidney remedy.

Doan's Kidney Pills have been proved good and are especially for weak kidneys. Doan's have been used in kidney trouble for over 50 years. Read Gettysburg testimony.

Miss Mary Dillman, 263 Washington St., Gettysburg, says: "My back was weak and hurt me all the time. Backache bore down on me like a great weight. My kidneys acted irregularly and I became weak and tired out. I bought Doan's Kidney Pills at the People's Drug Store and they gave me splendid relief. Doan's have never since failed to benefit me when it has been necessary for me to use a kidney medicine."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Miss Mary Dillman had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

PRESIDENT WILSON SHIPS BY TRUCK

President Wilson is an advocate of the "ship by truck" idea which has been urged upon rural districts as one way to lower short haul transportation charges. He is hauling his household goods from the old home in New Jersey to the new home he will occupy in Washington after March 4. The upper picture shows the first truck load of furniture arriving at Washington—the lower shows Mrs. Wilson and her brother, Mr. Bolling, directing the unloading and placing of the household goods.

Sleeping Sickness Appears in County.

What is thought to be a case of sleeping sickness has been discovered in McSherrystown in Francis Neiderer, the fifteen year old son of Mr. and Mrs. Robert Neiderer of that place. The boy was taken sick early in February but not until about the 5th did he develop symptoms of this new disease in a marked character. Since that time he has been in a stupor, sleeping almost continually and even when roused cannot stay awake long enough to answer questions or take nourishment. This is the first appearance in this county of this new illness which is an effect of the nerves. Dr. A. C. Rice, McSherrystown; Dr. J. L. Sheetz, New Oxford, and Dr. A. C. Wentz, Hanover, agree in their diagnosis of young Neiderer's case and have arranged with the State Health Department to have special blood tests made for the patient.

Returning from Germany.

Captain and Mrs. Maurice S. Weaver who have been living in Coblenz, Germany, following Captain Weaver's assignment to that station after the signing of the Armistice, will sail for home on the 29th of this month and are expected to arrive in the States early in March. Captain Weaver is in the medical service and has been in Coblenz for almost three years and Mrs. Weaver joined him in Coblenz September a year ago after a visit with Mr. and Mrs. H. T. Weaver at their home on Baltimore street.

Raise \$90 at Benefit Supper.

At a supper held on Wednesday evening at Holtzschwam school house in Menallen township a sum of over \$90 was raised for the Hospital. The affair was in charge of Miss Carrie Lady, teacher of this school and a good menu and a fine evening drew a large crowd.

Tires in Sections Suggested.

A suggestion in sections is an attempt to lessen the high cost of motor vehicles by suggesting that for touring cars, the tires be designed for use on sections with ordinary roads. Each section is independent of the others and the important advantage claimed is that without disturbing any other or removing the wheel a worn or injured section may be taken off and replaced.

RUPTURE EXPERT HERE

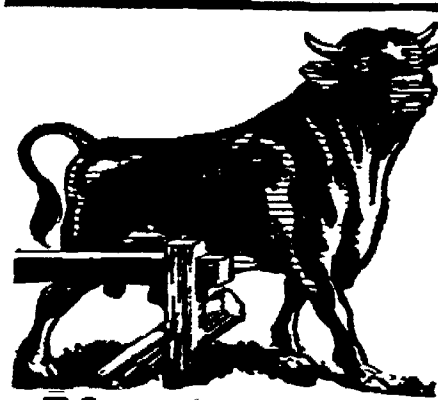

Seeley, Famous in This Specialty, Called to Chambersburg.

F. H. Seeley of Chicago and Philadelphia, the noted truss expert, will personally be at the Washington Hotel and will remain in Chambersburg Thursday only, Feb. 23. Mr. Seeley says: "The Spemetic Shield will not only retain any case of rupture perfectly, but contracts the opening in 10 days on the average case. Being a vast advancement over all former methods—exemplifying instantaneous effects immediately appreciable and withstanding any strain or position. This instrument received the only award in England and in Spain producing results without surgery, injections, medical treatment or prescriptions. Mr. Seeley has documents from the United States Governments, Washington, D. C., for inspection. All charity cases without charge, or if any interested call, he will be glad to show same without charge or fit them if desired. Business demands prevent stopping at any other place in this section."

P. S.—Every statement in this notice has been verified before the Federal and State Courts.—F. H. Seeley, Home Office, 1027 Walnut St., Philadelphia.

Queer-Acting Bird.

The yellow-breasted chat is an eccentric bird both when it is singing and in flying. When these birds sing their musical effort seems to require a great deal of flurting of the tail and twisting of the head; and even when they are flying their tail jerks up and down, giving them a strange appearance. The song of this bird is scarcely worthy of the name, having been called a "series of grotesque syllables."
